Subject: Upcoming Homeless Encampment in East Hollywood

Hi Kerry,

I don't know if you remember me but we met in one of the providers meetings in Hollywood. I work with the Society of St. Vincent de Paul and we have a family housing program serving homeless families with minor children in East Hollywood.

As we make concerted effort to address the issue of ending and preventing homelessness, I would like to bring to your attention an upcoming homeless encampment in East Hollywood on Lexington Avenue and Westmoreland. This appears to be an abandoned property and a few encampments have cropped up. Is there a chance that the Hollywood outreach team can reach out to the individuals on this street?

This is our Community meeting with LAHSA. I won't be able to attend this week. Will there be some volunteers who could represent Hollywood 4WRD at this meeting?
